

December 3, 2018

Good day families,

We are now up to **653** individuals sharing their thoughts on the review of feeder zones for the Holy Spirit High and Mount Pearl Senior High school systems. Thanks again to everyone that has gone into ThoughtExchange to participate.

This is a reminder that our first ThoughtExchange online conversation **will conclude December 5**. You are encouraged to go into the exchange to either share thoughts (if you have not already done so) or to add more stars to the new thoughts, and see what views are rising to the top.

To launch the ThoughtExchange dialogue, please visit: <https://my.thoughtexchange.com/#319268405>

The results of this ThoughtExchange will help the District to develop options for public consideration on which students will feed into the new intermediate school in Paradise, and help guide planning initiatives. All voices matter, so your participation is crucial and valued. Please take some time to participate before, **10:00 p.m., Wednesday, December 5, 2018**.

More information, including the review's Information Booklet and process, is available on the District's website: <https://www.nlesd.ca/schools/schoolreview/2018/system-hsh-mpsh.jsp>

Thank you in advance for your input.

Regards,

Darryl Feener
Assistant Director of Program (Avalon Region)
